

Welcome to Kjellmansgatan!

The members of "Kjellmansgatan's student association" want to welcome YOU to the best part of Masthugget, SGS's student flats at Kjellmansgatan!

In Kjellmansgatan 9, on the second floor you find a pub and a sauna, which are run by us. In the pub we arrange partys and it's also possible to borrow the pub for private partys on Saturday nights. The sauna is open during the winter on Mondays between 7 pm and 10 pm. You can also visit our homepage, www.kjellmansgatan.se.

If you are interested in joining the board or if you have any questions, don't hesitate to contact us!
